

As we head into the festive season, I would like to take this opportunity on behalf of Council, Staff and myself to express our sincere wishes to one and all for a safe and happy Christmas.

For most of us, this is a very heart warming time of the year a time for celebration of this very spiritual event.

We share the joy and memories of Christmases past with family and friends alike, while making new friends out of this year's special moments.

It is a time of giving to those we love and to those less fortunate.

These precious gifts may be a simple act of kindness – remembered long after the day has passed.

Enjoy the festive season and spread the good cheer around!

Merry Christmas to one and all and may 2009 bring you good health and happiness!
